Fall 2025

14. **Final Exam**
16 December
2 – 5 PM

This exam is designed as an additional chance to learn.

The exam is open-book, both paper and electronic.
But you may not access the web (except BB).
And you may not use AI assistance in any way.

You have 3 hours.
Please upload your exam through Turnitin **by 5 PM**, and please be sure you receive confirmation.

This exam is divided into three parts:

In Part I, please answer **4 of 7**, worth 5 points each, for a total of 20 points.

Part II has 5 sections. Please answer **one question in each section**, worth 12 points each, for a total of 60 points. You will have a choice in each section.

In Part III, please solve the entire sequence of problems, for 20 points. Please show all calculations, with units of measurement, and label your answers.

As always, please—

- support your answers with evidence from this course's topic guides, readings, slides, Q+A, and discussions whenever possible,
- answer succinctly (other things equal, a shorter answer is a better answer, and please don't repeat the question in your reply),
- list or outline your response when appropriate, and—

I hope you do very well!
